

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF B & H GAS)	CASE NO. 91-127-H
COMPANY, INC.)	

O R D E R

On January 13, 1992, the Commission issued its Order in Case No. 91-127 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On December 6, 1993, B & H Gas Company, Inc. ("B & H") filed its quarterly gas cost adjustment ("GCA"), which is proposed to become effective for the calendar quarter beginning January 1, 1994, to remain in effect until April 1, 1994.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. B & H's notice of December 6, 1993 set out certain revisions in rates which B & H proposed to place into effect, said rates being designed to pass on to its customers its wholesale increase in gas cost. B & H miscalculated its expected gas cost ("EGC") from B & S Oil & Gas Company. Correcting this error results in an EGC of \$3.8475, an increase of .02 cent per Mcf.

2. B & H's notice set out no refund adjustment.

3. B & H's notice set out a current quarter actual adjustment in the amount of (.03) cent per Mcf to compensate for overrecovery of gas cost by the company through the operation of its gas cost recovery procedure during the months of July, August and September 1993. The total adjustment of 1.47 cents per Mcf is designed to correct the current over-collection as well as under- or over-collections from previous quarters.

4. B & H's notice set out an incorrect balance adjustment ("BA"). The correct current quarter BA should be (.17) cent per Mcf to compensate for remaining under- or over-collections from previous actual adjustments. The total BA should be .19 cent per Mcf.

5. The combined effect of the above adjustments is B & H's corrected gas cost recovery rate ("GCR") in the amount of \$3.8641 per Mcf, which is a decrease of .12 cent per Mcf from its last approved rates.

6. B & H's adjustment in rates, set out in the Appendix to this Order, pursuant to the GCA provisions approved by the Commission in its Order in Case No. 91-127 dated January 13, 1992, is fair, just, and reasonable, in the public interest, and should be effective with service rendered on and after January 5, 1994.

IT IS THEREFORE ORDERED that:

1. The rates proposed by B & H be and they hereby are denied.

2. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with service rendered on and after January 5, 1994.

3. Within 30 days of the date of this Order, B & H shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 7th day of January, 1994.
